

## Village Hall Management Committee AGM

18 November 2024

### **SECRETARY'S REPORT**

Since the last AGM, the committee has held seven general meetings and one special meeting. For most of the year the committee has comprised 10 members, of whom two were representatives of village organisations (WI & Parish Council). Happily, early this month we were able to welcome a new member representing the Parochial Church Council.

Issues considered by the committee this year have mainly concerned financial matters and refurbishment of the hall. Details of these will be covered by the Treasurer and the Chair.
